County Tax Rate Down Five Mills

Good news for County of Vulcan ratepayers is the announcement that the County tax rate for this year has been cut by five mills. At the County Council meeting held Friday, May 11, the tax rate for 1962 was set at 55 mills as compared to 60 mills last year.

The five-mill reduction is in the municipal mill rate, which is set at 16 as compared to 21 mills last year. The near-completion of the County's gravel surfacing program for district roads makes this reduction possible, although road-building and maintenance service will continue on about the same scale as last year, when actual expenditures were about \$58,000 under estimated costs.

The school mill rate remains at 35, the same as last year. Provincial school foundation program grants, based on a 32 mill rate, fall short of meeting the costs of education in the County of Vulcan and make no provision for capital expenditure on teaching aids and other equipment. \$67,000 of the County's surplus will be used this year towards making up the balance of the difference between the school foundation grants and the estimated costs of operating the schools.

The Hospital Benefits Act requisition to the provincial government remains unchanged at four mills, but ratepayers in the Little Bow Municipal Hospital District in the Carmanagay-Champion area will find they have to pay an additional five mills due to an increase in unapproved costs at their hospital, making their total tax rate 60 mills, as compared to 55 mills in the other parts of the County.

In budgeting for a deficit on 1962 operations of \$67,815, the County is estimating total expenditures at \$2,165,511 as against estimated total revenue from taxes, grants and other sources of \$2,097,696. The main items of expenditure in the budget are the \$1,300,000 for education and \$375,000 for public works. Capital expenditure out of revenue is estimated at \$165,000 and debt charges (debt service payments and interest) at \$106,000.

Students Asked To Curtail Use of Cars

Cars and high school students don't mix too well, in the opinion of the teaching staff of the Vulcan High School, and an advertisement in this issue of the Advocate asks for the co-operation of both students and parents in curtailing, particularly, the noon-hour use of cars driven to school and the use of cars on school days—by students who live in Vulcan.

Surveys and reports conducted at many points show that students who drive cars to school are unable to concentrate on their studies and have a lower average in school than those students who do not have cars.

In the interests of better education and safety, the teachers are asking that all cars driven to school be left on the school parking lot until they are ready to be driven home after school. Students who live in town and own cars are asked to refrain from driving around town during the noon-hour. Their vehicles should be left at home or at the school.

Plan Miniature Golf Tourney

The recently completed miniature golf course, operated by Bob Nimz in conjunction with the golf driving range, will be the scene of a golf tournament next week. There will be no entry fee other than a person being required to play a minimum of three games at the regular price.

Main prize for the lowest three-game score will be a trophy desk set and nine other excellent prizes will be awarded. The open tournament ends Saturday night, May 26, and prizes will be presented on Sunday.

In the local sphere of Scout, Guide, Cub and Brownie life, two days a week, Mondays and Tuesdays, are given over to the younger ladies, the Brownies and two leaders of the Tuesday group, the 2nd Vulcan Brownie Pack. Brown Owl Ina Ohler and Tawny Owl Edythe Gottenberg above are in their last year as leaders. Mrs. Ohler was Tawny Owl for two while Mrs. Gottenberg has had two years with the girls. She has seven years service with Group Committee work so has become quite familiar with the Association scene. Over a year ago Mrs. Ohler successfully took her tests for

her Warrant Pin. This Warrant enables her to enrol new members. Without such a degree held locally, it would be necessary to go to the Commissioner at High River for new enrollment, so it is hoped more ladies will go after this objective. This year's Brownie activities end later this month with a Brownie Revel, or party either on the 22nd or 29th of May. In September when the fall season begins two new leaders, Mrs. H. Mumby and Mrs. Helen Giles, will take over duties with the Tuesday group. The usual stint for leaders is now from two to four years and if a Warrant is held, a leader is eligible for long service pin at the end of five years service.

The scene above is of the fire at the Wellwood home to which the Vulcan Fire Brigade was called last week. Smoke poured from the interior as firemen searched for the heart of the blaze, finally located in a bedroom used by the children.

"Greatly Improved"

Army Cadet Corps Draws High Praise

The Vulcan Army Cadet Corps, which has shown outstanding improvement this past year under the leadership of Chief Instructor Frank Burchak and Assistant Instructor Ronald Brinton, is a strong contender for the Strathcona Award, which is presented annually to the most improved Cadet corps in the Alberta area. This was announced by Capt. W. H. Jones, Area Cadet Officer, Edmonton, following the annual inspection of the Vulcan Corps on Friday, May 4.

The 22 Cadets on parade were inspected by Capt. Jones, accompanied by Mayor M. R. Morrison of Vulcan. Guests included Capt. D. E. MacDonald, Cadet Officer for the Southern Alberta area; Melvin Eamor, representing the Vulcan Branch, Royal Canadian Legion, sponsoring group of the local Corps; and Lieut. L. J. Lucas, representing "A" Company, The Calgary Highlanders, with which unit the Cadet Corps is affiliated.

Capt. Jones complimented the members of the Corps for their smart appearance on parade and for their participation in rifle shooting competitions. Cadet stores and records were all A-1, he said, with no shortages of equipment and all records up-to-date, reflecting favorably on the efficient manner in which the Cadet Corps was being administered and led.

Presentations, made by Capt. Jones, included the awarding of a Master Cadet Star to Cdt. Sgt. H. Eamor. This was one of only 16 similar awards in the province this year. Other awards were to Cdt. R. Perley for the best first-year cadet, presented by Capt. MacDonald, and to Cdt. Cpl. B. Swanson for best second-year cadet and to Cdt. Sgt. Eamor for best third-year cadet, presented by M. R. Morrison.

Highest score in the unit in the Dominion of Canada Rifle Association competitions was made by Cdt. Sgt. Eamor and second-class crests in rifle shooting were presented to Cdt. L/Cpl. M. Burchak, Cdt. L. Clarkson, Cdt. A. Hubbard, Cdt. Cpl. W. Perley and Cdt. B. Uilly.

Demonstrations on their year's work were given by the Cadets and included fighting patrol, first aid, signals, map using, fieldcraft and rifle.

Thirteen members of the Vulcan Corps have been selected to go to camp this summer: seven going to Clear Lake, Man., for the Junior Leader course; five going to Vernon, B.C., for the Cadet Leader course; and one going to Vernon for the Cadet Instructor course.

This month, the cadets are planning to take part in a weekend scheme being conducted at the NW Branch Campsite, Rocky Mountain Forest Reserve when they will observe forest fire prevention and suppression and other National Survival demonstrations by the Field Workshop of the RCEME.

Mrs. R. Fitzpatrick Dies Following Long Illness

The death of Mrs. Lavina Elizabeth Florence Fitzpatrick of Vulcan occurred in the Vulcan Hospital on Saturday, May 12, at the age of 59. She had been in ill health for a few years but had been in hospital for two weeks before her passing.

She was born in London, Ont., on Jan. 20, the only child of Mr. and Mrs. Norval B. Wilson and moved to Okotoks as a baby with her parents in 1903. The following spring they moved to Parkland where they homesteaded on a north-west corner of Doyle McPeak's land opposite the McGuire home.

Mrs. Fitzpatrick began her early schooling in Grassy Plains school three miles east of Parkland. Her parents held the first Methodist church service in their house in this community.

They moved to Calgary in 1911 and to Vulcan in 1917. Mrs. Fitzpatrick was married in Calgary in 1919 to LeRoy Henry Fitzpatrick and they have farmed 20 miles east of Vulcan since that time. She was a member of the United Church of Vulcan and sang in that choir for some years. She also belonged to the Women's Institute of Vulcan.

Surviving are her husband; two daughters, Mrs. Bill Fletcher, (Lorraine) Brant; Mrs. Harvey Reed (Eileen) Nanton, and Charles Norval at home, two grandchildren and two great grandchildren.

Funeral services were held from the Vulcan United Church on Tuesday, May 15, at 2:00 p.m., with Rev. D. Sharpe officiating. The organist was Margaret Ann Jamison and Mrs. Gordon Gardner sang a solo, "I Come to the Garden Alone." Hymns "Abide With Me" and "Nearer My God To Thee."

Palbearers were Weldon Greenlee, Ed Larkins, Everett McIntyre, C. H. Hanna, Burnell Drummond, Carmen Jordan. Burial was in the Vulcan cemetery with Vulcan Funeral Home in charge.

Grapefruit are so-called because they sometimes grow in clusters.

Winners Chosen

4-H Public Speaking Competitions Held

About 130 people enjoyed the Vulcan district 4-H Public Speaking Competitions held in the Vulcan Lodge Hall on Friday, May 11. Winners of this event were Sandra Oldfield, Berrywater Beef Club; Wayne Lucas, Vulcan West-Ensign Beef Club; Nadine Arney, Arrowwood Beef Club, and Wendy Elliott, an alternate from the Lomond Beef Club. These three winners were amongst the 16 competitors whose subjects ranged from Peaceful Co-existence to How to Pick a 4-H Calf.

Earl Hawkesworth gave the comments and placings on behalf of the judges. He commended the contestants for a job well done. The judges' suggestions directed to all the competitors cautioned them to watch their timing, enunciation, originality and choice of subject.

The three winners each received a plaque from the Vulcan and District Board of Trade as a remembrance for their achievement as one of the 4-H Public Speaking Competitions. The plaques were presented by the Board of Trade president, Doug Wilson.

On Monday, May 14, the winners of the Claresholm, Cardston, Lethbridge and Vulcan D.A. district competitions competed to represent the Lethbridge area in the Southern Alberta Finals at Calgary. The Lethbridge Greenacres Kiwanis Club sponsored the event at which time the 12 competitors, their parents and leaders were tendered a banquet, after which the Public Speaking Competitions were held.

Winners of the Lethbridge competitions were— 1st, Gail Buchanan, Pincher Creek Beef Club; 2nd, Wilson Loree, Stavelly-Parkland Beef Club; 3rd, LeAnn Oviatt, Stavelly-Parkland Beef Club. The three winners will compete for the

Vulcan Airport Seen As Industrial Site

Use of the Vulcan Airport as a site for light industry appears to be a definite possibility, following a meeting last Friday between the County Council and the president of Klassen Construction Ltd., of Yorkton, Sask., manufacturers of pre-fabricated homes.

Mr. Klassen, who had been interested in purchasing the airport before it was acquired by the County of Vulcan and had visited Ottawa for that purpose, flew to Vulcan in his company plane on Friday and was met at the airport by Lawrence E. Kindt, M.P., who accompanied him to Vulcan. M. R. Morrison, mayor of Vulcan, was also present at the meeting.

Klassen Construction Ltd., a general contracting firm, is presently engaged in the manufacture of pre-fab homes under federal government contracts. Full utilization of the hangars at the airport would be made, with one hangar used for the production of floors, walls and roof sections, a hangar for plumbing, heating and electrical work, one for millwork production of windows, doors, etc., one for storage of lumber and building supplies and one for storage and servicing of the company highway transports and trailers, fire truck and company plane.

The company is well established and, in full production, has as many as 250 employees. If satisfactory arrangements could be made to allow the company to transfer its operations from Yorkton to Vulcan, key employees would be brought along, but there would be many job opportunities for residents of Vulcan and Nanton.

Mr. Klassen offered to purchase the entire airport at the price paid for it by the County (\$45,000) or to consider whatever proposition could be made by the County. The Council will discuss this matter in the next few days. It appears likely that the County would wish to retain the land, runways and one hangar but the other six hangars and the other buildings would be available for purchase by Klassen Construction. Whatever the County's decision is, it will be communicated to Mr. Klassen within two weeks and negotiations continued at that time.

Purchase of the Vulcan Airport by the County of Vulcan No. 2, was completed on Friday, May 11, when the County Council passed the bylaw authorizing the payment of \$45,000 to the Crown Assets Disposal Corporation for the property.

The package deal includes all of Sec. 10-16-25-W 4th (640 acres), seven large hangars, the water, sewer and power services including a pump house, drilled well and reservoir, and the other buildings still remaining on the former air force base. These include the former hospital, four MT buildings, three maintenance buildings, the post office, service car garage, the former WD officers quarters and a 25 yd. range.

sen. Construction. Whatever the County's decision is, it will be communicated to Mr. Klassen within two weeks and negotiations continued at that time.

Meanwhile, the provincial Department of Trades and Industry has been contacted for suggestions and advice.

In an interview with Dr. Lawrence E. Kindt, M.P. for Macleod, who was instrumental in arranging the sale of the airport to the County of Vulcan, the Advocate learned that the development of the airport as an industrial site could quite possibly be tied in with an ARDA project for water development in the Vulcan-Nanton area, including diversion of part of the Highwood into the Little Bow and construction of water storage dams on the latter stream.

Teen-Town Holds Windup Dance

The windup dance of Vulcan Teen Town was held in the Armouries Friday evening, May 11, and proved to be a very successful event.

Music was provided by the Masquerades from Calgary and 234 teen-agers from Vulcan, High River, Milo, Mossleigh, Arrowwood, Champion and Carmanagay were present for the big event, along with six parents.

THE WEATHER

Cool, cloudy weather has prevailed for the past week but rainfall has been spotty, with some districts getting close to an inch of moisture over the weekend and other parts of the county getting practically no rain.

Good showers were reported in some areas Tuesday afternoon of this week and the Tuesday forecast was continued cloudy weather and showers.

REUNION IN CALIFORNIA

A surprise birthday party held for and at the home of Harry Melhuish of Whittier, Calif., on April 7, was the occasion for the first reunion in 25 years of four persons who went to school together in Carmanagay some 40 years ago. All members of the group shown

now live in California. Mr. Melhuish is a former resident of Calgary and the other four all left Carmanagay 35 to 40 years ago. From left to right (back row) in the above picture are Harry Melhuish, Ina Mae (Hummel) Price and Syd Madden. In front are Percy McIntyre and Johnny Miller.

District News

BLACKIE

Visiting at the home of Mr. and Mrs. Hec McLean are their daughter-in-law, Mrs. Bob McLean and children of Estavan, Sask. Bob McLean was here for the weekend.

Jim Downie is a patient in the hospital in High River.

Mrs. Maurice Paradee of Calgary visited with friends here on Thursday.

Miss Margaret Montgomery of Los Angeles, California, here for the funeral of her sister, visited at the home of Mr. and Mrs. Jim Montgomery, Sr. She taught school in this district and is well remembered by many of her former pupils.

Mr. and Mrs. Fred Florea of Idaho, arrived here to attend the funeral of their niece and visited at the home of Mr. and Mrs. John Montgomery.

Mr. and Mrs. Alex Paul motorized to Calgary on Monday to visit with Mrs. Paul's sister, Mrs. K. Peckham who is a patient in the General Hospital.

Congratulations are extended to Mr. and Mrs. Clingman whose daughter was born Wednesday in the High River hospital.

Get well wishes go to Mark Yeomans who is a patient in the Holy Cross Hospital in Calgary.

Sympathy is extended to the Weber family in the loss of Bert Weber who passed away in High River at the age of 81.

Sympathy is also extended to the Brown family in the loss of Sam Brown, Sr. aged 89 of High River. Sam Sutor returned from Killam on Monday with Mrs. Sutor and their son who had been visiting there the past week with her parents.

The Blackie Savings and Credit Union held a delayed meeting on Friday evening with 11 members present. The business part of the meeting shows that this new organization is making favorable progress. Meetings are to be held the first Thursday of each month and anyone interested is welcome to attend.

Congratulations are extended to Mr. and Mrs. Alvin McWilliams on the birth of their son in the High River hospital.

HOME & SCHOOL ASSOCIATION

John Gillanders presided over the May meeting of the Blackie Home & School Association. During the short business meeting the group was informed that Mrs. E. Southgate and Mrs. U. Bricker have consented to attend the Annual Convention in Calgary, Mrs. Southgate being the official delegate. Mrs. Bricker accepted the nomination to compete for regional director. It was decided to have a meeting of the executive, the delegates and any other interested members

to discuss the resolutions to be presented to the convention.

Quite a number of nomination ballots were handed in. It is hoped that all will be in very soon in order to compile pictures before the June meeting. The book rental was discussed briefly. A committee of three was formed to enquire about purchasing a coffee maker. The June meeting is to be a social evening, pot luck supper.

Mrs. I. Raycraft's room won the banner.

The guests of the evening were Mr. and Mrs. John Foster of Nanton, who have travelled in many parts of the world. Mr. Foster showed colorful and interesting slides of South America with Peru as the focal point. He gave a very informative commentary on the ruins of the extinct Inca cities and forts and his pictures of Peru as he saw it, showed great poverty and a low standard of living. In fact, all over South America, the people were poor, Mr. Foster stated.

A few slides of Victoria and the World's Fair at Seattle, which the guests had attended during the Easter holidays, ended a very enjoyable program. To anyone considering attending the fair, Mr. Foster said he considered it well worth while, but not spectacular. He praised Canada's exhibit there and added that there was no admission fee to any of the exhibits. One thing he mentioned was the exceptional cleanliness in evidence everywhere.

Mr. Gillanders thanked Mr. and Mrs. Foster for coming and invited everyone to have lunch which was served by Mr. and Mrs. Bricker and Dave Ellice.

UNITED CHURCH WOMEN

The May meeting of the UCW Nightingale group was held at the home of Mrs. Bill Runcie. The theme of the meeting was Mother's Day. Roll call answered by each member reading a Mother's Day verse.

A committee was named to help plan the Father's Day Tea to be held June 16. An invitation for this group to visit the Brant Ladies Aid on May 30, was read. Mrs. Ken Elliott gave a report on the conference at Banff which was well represented by members from the Blackie district.

Following the meeting a very successful plant sale was held. Lunch was then served by Mr. Runcie and Mrs. John Montgomery. Hostess for the next meeting will be Mrs. C. MacNutt.

CARMANGAY

Congratulations to Mr. and Mrs. Stan Burwash on the birth of a son recently in the Little Bow Hospital.

Congratulations to A. J. Anderson on having celebrated his 84th birthday May 10.

Mr. and Mrs. Roy Church left for a two-week stay in Montana last week.

Mrs. Thompson of Victoria, B.C. and Mr. and Mrs. George Cairns and family of Calgary visited at the home of Mr. and Mrs. Wyman Parker, Sunday.

MOTHERS' DAY

The ladies of the U.W.A. entertained the mothers of the district on Saturday afternoon with a program and tea.

The program consisted of the following: Solo by Miss Patty Ewing, solo by Miss Marilyn Baldwin, two recitations by Sandra Kryzanowski, solo by Mrs. Lenora Baldwin, two readings by Mrs. Hetty Teskey and a Mother's Day game presented by Mrs. Wynn.

Plants were presented to the following mothers: Mrs. Green, having the oldest twins; Mrs. Wilkinson, the oldest mother; Mrs. Ewing, the youngest grandmother. Mrs. Akitt received a flower for having the biggest family. Mrs. McMillan received an empty envelope for having come the farthest.

The afternoon concluded with a very dainty lunch.

HOME & SCHOOL ASSOCIATION

The regular meeting of the Carmangay Home and School Association was held in the church basement on Thursday, May 10, with 16 present. President Wally McIntyre opened the meeting and in the absence of the secretary, Mrs. Boush Hubka read the minutes of the last meeting.

After a short discussion with Mrs. Puzey from Champion, prior to the meeting, the president asked for suggestions from the members regarding closing exercises in the Champion School. The feeling of the meeting was that as this is the last time there will be any high school in Champion or Carmangay schools, then all three high school grades should be honored with a banquet. It was suggested that parents and friends may attend the program and dance which will follow the banquet. Mrs. Emma Smith, Mrs. Josephine Letal and Mrs. Hettie Teskey were appointed to attend the Champion Home and School meeting on May 21, to assist them in making suitable arrangement.

On a suggestion from Mr. Palk the Home and School agreed to support the teachers in a track meet and picnic at the Carmangay School on Friday, May 25. The Home and School will supply ice cream, coffee, punch and prizes for the races.

The president called for a nominating committee for the June election of officers and Wesley Knight and Wallace Miller agreed to work with the president on this committee.

The evening's program consisted of a discussion of the various resolutions to be taken up at the Alberta Home and School Convention. Interesting view-points on the resolutions were presented with individual members each taking a resolution to discuss.

Lunch was served and roll call taken.

The next meeting will be held in the new school on June 14.

A fulfilment of many dreams will be the building of a new Roman Catholic Church at Claresholm to be called Christ the King Church. The church is to be built on the site of the present St.

George's Church which is to be demolished. Estimate cost of the new edifice will be about \$70,000 and the architects are J. K. English & Associates, Calgary.

Of brick and Montana stone construction, the church will be 85x40 feet with an attached hall, 64x46 feet at the northeast end. The new structure will seat over 300.

— ATTENTION FARMERS —

You would not consider driving your car or truck without liability coverage. Why then take the chance of operating your farm machinery on the highway when the risk is just as great, without similar liability protection?

This coverage, when combined with your fire policy on the average farm, would cost approximately 50c per month, depending on acreage.

At this price no one can afford to be without this protection.

THE BIRTHDAY CLUB

The May meeting of the Birthday Club, held at the home of Mrs. Anne Johnson, opened by singing "Mother Machree." Twelve members answered roll call with "Whose Shadow I Would like to be and Why." Some of these were very amusing.

The minutes were read and approved. It was decided the sale of lunch at the Teasdale auction sale was a successful venture. Discussion was held on the coming shower for Mr. and Mrs. K. Doran (whose home burned down a while ago) and it was set for 2:00 p.m., May 19 at Badger Lake School. Most any type of gift will be suitable and everyone is welcome.

Correspondence consisted of a thank you card from Mrs. Batalden, and news letters from the District Home Economist of both Claresholm and Lethbridge.

The business meeting closed by the singing of "Jumita", very ably accompanied (on Mrs. John's new organ) by Mrs. Joe Chambers.

The raffle draw was won by Mrs. Jack Williamson, one of our two visitors. Mrs. Isabel Volesky held a contest all about the Royal Family which was won by Mrs. H. Crawford, consolation to Mrs. J. Zuba.

A lovely lunch served by the hostess and her assistants, closed a pleasant afternoon.

CARDS OF THANKS

I wish to thank Dr. Hwozdecki, nurses, nurses aides, and all members of the staff of the Carmangay Hospital for the excellent care I received while a patient there. A very special thanks to relatives, friends and neighbors who sent flowers, cards and gifts and visited me so regularly. I am truly grateful. —Libby Latiff, Champion. 41-1x

The Arrowwood Local Association of the Girl Guides of Canada would like to express their appreciation to those who helped make the Mother's Day Tea a success. 41-1p

I would like to take this opportunity to thank the Doctor and nursing staff of the Carmangay Hospital for the wonderful care I received while I was a patient there. Many thanks to those who sent cards. Words can not express my appreciation to those who helped care for my children while I was confined to hospital. —Lee Marie Clifford, Champion. 41-1x

CARD OF THANKS

We wish to extend our sincere appreciation to all the neighbors and friends who helped in any way in the seeding and summer following done at our farm last Tuesday. No words can express our gratitude. —Bert and Irene Larsen. 41-1p

We would like to express our sincere appreciation to all our many friends who sent cards, flowers and helped in so many ways, when our little Scott passed away. —Len, Helen and Mark Green, Blackie. 41-1p

We wish to express our thanks to each and everyone who assisted us at our recent fire. Your help was very greatly appreciated. —Mr. and Mrs. Welwood, Vulcan. 41-1x

IN MEMORIAM

MUNDLE—In loving memory of our dear father, Weldon, who passed away on May 9, 1958.

In tears we saw you sinking, we watched you fade away. Our hearts were almost broken, you fought so hard to stay. But when we saw you sleeping, so peacefully, free from pain. We could not wish you back, to suffer that again.

—Forever remembered by daughters and sons, Darleen, Faye, Deborah and Carolynne, Terry, Bobbie, Donnie and Darcy. 41-1x

PALMER—In loving memory of our dear husband, dad and grandpa, Myrtle, who passed away May 17, 1961.

They say time heals all sorrows and helps us to forget, But time so far has only proved, how much we miss him yet. God gave us strength to take it and courage to take the blow, But what it meant to lose him, No one will ever know.

—Always remembered and sadly missed by his wife Agnes, Marge, Ronald, Blanche and families. 1-p

CHAMBERLIN—In loving memory of Miles Duane, who passed away May 11, 1958.

Calm and peaceful he is sleeping, Sweetest rest that follows pain; We who loved him sadly miss him.

But trust in God to meet again. —Ever lovingly remembered by his wife May and daughter Phyllis and family, Champion. 1-x

SMITH—In loving memory of Warren, who passed away on May 18, 1960.

Little we knew that morning, the sorrow the day would bring.

The shock was severe to part with, one we all loved so dear.

He left us so suddenly, his thoughts unknown, But he left us a memory, We are proud to own.

—Ever remembered and sadly missed by his loving grandma and grandpa Davies, also Auntie Ida, Uncle Laverne, Auntie Enid, Uncle Buster and all his cousins. 41-1p

SMITH—In loving memory of our dear little boy, Warren, who passed away May 18, 1960.

Dear Warren in silent sadness, We think of the days gone by, When we were all together, No sorrow clouded our sky.

But now our circle is broken, We daily miss you more. We long for that glad morning, To clasp your hand once more.

It's lonesome here without you, And sad our dreary days. Life to us is not the same, Since you were called away.

You left us beautiful memories, And sorrow too great to be told. But we know when our life here is ended, We'll meet little Warren in Heaven again.

—Ever remembered and sadly missed by Mommy, Daddy, Terry, Ladell, Darell, Lyle, Brent and Shaileen. 41-1p

Letters to the Editor

Herronton, May 12, 1962.

Editor, The Advocate,

Dear Mr. Editor:

I would like to expand a bit on your front page headline of May 9, "Close Herronton School—Approve Further School Centralization." Front page indeed, the last of the community schools closed, the County School Committee reigns supreme. The Herronton school deserves better than just that, however perhaps it should be in an obituary.

The Herronton school is dead. It was the natural outgrowth of the Arrowwood school No. 1733 which was built in 1907 about three miles east of the hamlet. Because of the need, not because of affluence, an additional room, for High School, was opened in an empty house in Herronton in the fall of 1935. It had one teacher, about 30 students and grades nine to 12. In the fall of 1939 the Foot-hills S.D. opened the present two-roomed school. From amongst the many worthy citizens that attended that miserable school, in those miserable days, the country now has several teachers, two doctors and an engineer. The point is that we were never given anything. Men and women who are gone, sacrificed for this school, and now it too is to die.

Not because it ran out of children (about 40).

Not because teachers couldn't be found.

Not because we can no longer afford it.

Not because it is a wreck; it is in good repair.

Not because it interfered with the consolidated high school, its two rooms taught from one to eight.

Not because its product was below par.

Not because we wanted it closed, at a meeting last April 19, with every family represented, the vote was 100% to operate and for consolidation. Three councillors and the school superintendent present.

Then why will it die. We were told that it would never be closed against our wishes unless we ran out of students or teachers. It is to be closed because men from all over the Vulcan County who comprise the school committee voted to close it.

Did they know how vehement we were about keeping it open? Did they know how disorganized our dental and medical appointments would be? This district travels West.

Did they know that we will have to phone long distance to contact our children or they us, at Mossleigh and Brant?

Did they know how difficult it would make the extra-curricular activities?

Did they know how we resented being roped into the County in the first place and that this is about the last straw?

Was anything considered besides CENTRALIZATION? That's the only button to push now, that's the big deal, our new god. Centralization is the only thing for the kids, the ignorant parents that won't be brain-washed with the rest of us must be overruled. Yes, intelligent men from 30 and 40 miles away meet at "THE COUNTY SEAT" and vote to close a school like Herronton. There are several blueprints for finishing the job that can be found in the history on Europe.

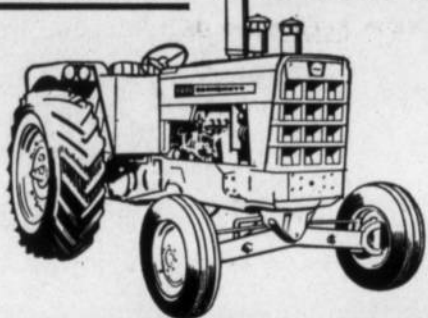

What now? Has justice and common sense been served? Can the Herronton community oppose the whole County and reopen its school? Yes we know that the Act makes provision for such drastic action. It would make lots of trouble, fan embers of resentment that would like to be fanned, and improve nothing. Let the principle of the thing be forgotten. Heil the County and Centralization.

John C. Green.

WORDS TO KNOW

FALLOUT:— The radioactive debris of a nuclear explosion, which eventually falls to earth in particles. The amount of fallout is enormously greater if a weapon detonates on or near the surface than if it explodes high in the air. Large amounts of earth are drawn up by the fireball. High in the sky, radioactive elements are incorporated into the earth particles, which are scattered by winds and in time fall to the ground.

High School Sports Notes

High School "Races" to Lethbridge Grade 10 Boys Win

To start spring track training each grade was to complete 240 laps around our high school track. This would be the equivalent to racing to Lethbridge. On Wednesday, May 2, at 12:15, Grade 10 had the majority of entrants followed by Grade 12 then Grade 9. Grade 11 did not even place.

Each time a student ran one complete lap he had to register. By the end of Wednesday's running at 12:45, Grade 10's made 193 laps or about 48½ miles. This would place them south of Nobleford. The Grade 9's after being left out, started with 19 laps or about Kirkcaldy.

Why were the Grade 10's so far ahead? First and foremost they had the best spirit. They signed no less than 21 entrants out of a possible 23 compared to Grade 12's 13 entrants out of a possible 48. Secondly the 10's should have been in better shape; the last time the 12's probably ran was in the basketball season several months ago. Very noticeable was the lack of females. Apparently they were like some others who have a much greater interest in just going "down town".

The final day, Thursday, placed the Grade 10's in first place with no less than 251 laps before they quit. That was 11 for good measure. The Grade 9's proved to be the comeback team with a total of 102 laps, while the 12's increased their race to 78 laps. This would place the 10's in Lethbridge, one-half between Carmangay and Champion. Top runners for the two days were:

For the 12's—Bob Hurl (20 laps, the record), Jack Ruark (10), Wayne Erickson (6).

For the 9's—Gary Lundgren (11), Billy Tompkins and Ronny Brooks (10 each), Stuart Myers and Teddy Shaw and Harvey Daniels (9 each).

For the 10's—Clarence Graff, David Jones, Eugene Carruthers, Warren Weber, (all 17 each). —Bill Perley and David Brown (15 each). —David Clark and Lionel Clarkson (14 each).

Besides these top runners for the winning grade there were: Dennis Sparks (7), Ken Mix (12), Brian Uly (12), Bill Soder (10), Morris Dmyterko (12), Jim McNiven (7), Boyd Jamison (10), Charles Ray (9), Hans Lievaert (10), Jimmy Hanna (11), Leslie Perley (4), Teddy Wylie (11) and Wayne Brown (10).

There may have been more laps made but these were the only ones that were officially recorded. Next race might be back from Lethbridge but that won't be until the aches and sore muscles are better.

Regular Meeting Thigh Hill W.I.

Mrs. Orville Roe was hostess to the Thigh Hill WI assisted by Mrs. Albert Marsh, with 14 members and nine visitors being present. They answered roll call with "An old wives tale," leading to some lively discussion.

The business part of the meeting was short, with various committees having nothing to report. Committee in care of gifts to children's homes reported that Charlie Boutland of the IGA Store had donated treats for this purpose and a note of appreciation would be sent.

The members are knitting shawls for the older Ladies in the mountains of Greece. A note of appreciation being sent to Mrs. Schugh for a donation of the wool being used for shawls.

The business part of the meeting closed followed by a program where all members participated in honor of Mother's Day, and was enjoyed by all. Mrs. Boyd McKay won the tea raffle.

Lunch served by the hostesses brought an entertaining afternoon to a close.

MAY OPEN E.I.D. TO ANTELOPE HUNTING

The annual meeting of the Eastern Irrigation District on Tuesday passed a motion recommending that a method of control under strict supervision be instituted over antelope within the boundaries of the E.I.D.

This is a complete about face from the stand taken the past number of years when each annual meeting supported the closing of the E.I.D. to the annual antelope weekly open season in the province.

It is expected that the board of trustees will take up the matter from here and discuss it with officials of the province's Game Branch. Some form of open season likely will be the result.

The move to reduce antelope numbers was instituted by E.I.D. catmen who feel they should not provide grass and fodder at their expense. A Scandia livestock man told the meeting that he counted 150 antelope in his alfalfa field just as the alfalfa was showing signs of growth. He said also that 220 antelope were in his 40-acre hay field.

Regular Meeting Reid Hill W.I.

The regular meeting of the Reid Hill WI was held Thursday, May 10, at the home of Mrs. Fred Schuler, with Mrs. Percy Myers, Mrs. Ray Harold and Mrs. L. Henry as assisting hostesses.

The punctuality draw was won by Mrs. Myers after which the president, Mrs. R. Harold, conducted the business meeting. In the absence of the secretary, Mrs. Jack Marshall who was in hospital, Mrs. A. Sales was acting secretary for the meeting. Correspondence was very light and dealt with donations and the coming conference to be held at Champion, May 30. The treasurer's report was given by Mrs. C. L. Kuykendall.

At the previous meeting the handicraft convener had requested members to bring hand work to this meeting, to be taken to the conference. A number of lovely pieces were turned in. Tickets were sold on a table cloth to be raffled at the conference. Roll call was answered with "My grandmothers' maiden names" and proved most interesting. Seventeen members and four visitors were present.

At the conclusion of the business session the meeting was turned over to the entertainment committee, Mrs. E. G. McPherson and Mrs. L. Henry. The first contest requiring the ladies to make as many words as possible from the one word "Grandmother" was won by Mrs. Roe, Mrs. McRoberts and Mrs. Kuykendall. "Inches around your waist" was won by Mrs. F. South and Mrs. H. Rutberg. The jewellery count contest was won by Mrs. C. I. Love and Mrs. Sales, while prizes for the bluest eyes were won by Mrs. French and Mrs. F. Schuler. All of these contests provided much fun and were greatly enjoyed. To complete the very interesting social period, dainty hand-made sachets, made and donated by Mrs. McPherson and Mrs. Henry were presented to each lady.

The serving of a dainty lunch by the hostesses concluded the very pleasant afternoon. The next meeting will be held at the home of Mrs. Ross Walker.

MOSSLEIGH

All three 4-H clubs were represented at the Public Speaking contest in Vulcan on Friday evening and though the members did very well, nobody won the honor of going to Lethbridge to compete further.

Welcome rain and snow fell on the district last week, about an inch was recorded in all. The biggest blessing of all, no high winds. Deepest sympathy is extended to the Dawson family on their recent bereavement.

Get well wishes are extended to Mrs. A. Brause who is ill in the local hospital.

Mr. and Mrs. J. Christie and Betty Jean motored to Portage la Prairie, Manitoba, to attend Donnie's wedding on May 12.

Mossleigh 4-H Sewing Club

The Mossleigh 4-H Girl's Sewing Club held their Annual achieve-

ment show and program on May 8. The girls had a very good showing of sewing this year with only two blue ribbons. To open the program, Dora Campbell presented each girl with a 4-H spoon, for completing another project, then Irene Sherstabetoff gave the club report. Dora Campbell sang a solo accompanied on the piano by Judith Leslie. Charolette Koole and Joyce Hagedorn gave a demonstration on Etiquette.

The club sang a few songs. Dora Campbell and Marlene Bertschy gave a very interesting demonstration on Pockets. Joyce Hagedorn entertained with a piano solo, this was followed by a colorful illustrated talk by Lorna Hurl and Verna Samaroden on Trims. Judith Leslie was commentator for the dress revue with Jamie Randle playing soft music in the background. Mrs. Leavitt, D. H. Econ, gave her report and her

remarks were very high. Norman bowl, a trophy from the Royal Bell, Wheat Pool Rep., also gave Bank to the girl with top marks a few remarks. in the public speaking contest in Mrs. Leavitt presented Marleneher own club. Bertschy with a beautiful rose Tea was served by the girls.

CANADIANS OWN MORE INSURANCE

John Blackburn of Edmonton, president of the Life Underwriters' Association of Canada, says Canadians own more life insurance per capita than citizens of any other country.

There was more than \$50,000,000 worth of life insurance in force in Canada, which last year was bought at a rate of about \$20,000-000 a day.

MORE MUSCLE!

MORE HUSTLE!

MORE BUSTLE!

There is muscle in every Chevrolet frame—combining ruggedness and flexibility for on- and off-highway use. Then, there's more muscle in Chevrolet's rear axles . . . husky Single-Speed axles with capacities from 3,300 lbs. to 18,500 lbs. . . 2-Speed rear axles with vacuum or electric shift and capacities from 13,000 lbs. to 18,500 lbs. and . . . mighty Tandem suspensions!

Chevrolet Truck hustle includes the industry's most famous six—brawny eights . . . in fact, your choice of six power plants from 235 to 409 cubic inches. And to match this wide choice of power you have eleven transmissions available as standard or optional equipment—including 3-, 4-, or 5-speed Synchro-Mesh and two automatics plus 3- or 4-speed auxiliaries.

To experience man-size bustle—drive a Chevrolet! Then you'll feel the sure touch of positive control that Chevrolet has built into its steering. Even when heavily loaded, a Chevrolet Truck is still easy to manoeuvre in tight spots . . . easy on the driver on any kind of road. But that's also due to the Chevrolet ride . . . suspension systems that give maximum comfort—maximum protection to the load.

BERRYWATER

Mrs. Heather Gerding attended the banquet and graduation at the Calgary General hospital on Friday.

Mr. and Mrs. Carson Love were business visitors to Calgary on Tuesday. Their children, Donny and Patty spent the day with the Frank Loves.

Mr. and Mrs. Stan Wickstrom were Calgary visitors on Wednesday.

Alan Smith of Portage la Prairie was a visitor last week at the home of his parents, Mr. and Mrs. D. B. Smith, enroute to a ministers' convention in Calgary.

Mr. and Mrs. Nick Horoff and family were visitors at the Calgary home of Mr. and Mrs. Peter Hlokkoff on Saturday.

Congratulations to Sandra Oldfield on winning the 4-H public speaking contest held in Vulcan Friday evening. This entitled Sandra to compete in Lethbridge Monday evening.

Miss Annie Hlokkoff of Calgary was a weekend visitor at her home in the district.

Mr. and Mrs. A. J. Peterson of Lethbridge, and Mr. and Mrs. Dave Stewart of Stirling were recent visitors at the Tom Webber home.

Miss Leone Jones of Calgary and her friend, Miss Audrey Olsen

were weekend visitors at the Leonard Jones' home.

Mrs. Helma Sharp and Rose were visitors to Calgary Friday and Saturday.

Mr. and Mrs. Johnny Salken and Teddy were Calgary visitors Saturday and Monday.

TRAVERS

Mr. and Mrs. Raymond Croteau of Calgary were weekend visitors at the latter's parents, Mr. and Mrs. Ivan Steeves.

Father D. Andrews will be out of the parish the next two weeks. He will be replaced on Sundays by one of the Lethbridge Basilian Fathers. Father Andrews will spend his holidays at his home in Toronto.

The Girl's Club Picnic was rained out on Sunday. About three-tenths of an inch of rain fell in various areas in scattered showers throughout the day.

Seeding is progressing rapidly with a good many farmers having finished. The early crops are reported coming up.

Several district residents attended the funeral of Mrs. Cliff Prouty in Lethbridge, May 9. Mrs. Prouty passed away in Lethbridge following a lengthy illness.

Mr. and Mrs. Frank Swan, Gary and Carol of Calgary spent the weekend with Mrs. Swan's parents,

Mr. and Mrs. Chris Erickson.

Fred and Kenneth Toland had tonsilectomies recently in Lethbridge. They are the sons of Mr. and Mrs. Frank Toland.

LITTLE LADIES GIRLS' CLUB

The Travers Little Ladies Girls' Club held their regular May meeting with the supervisors, Mrs. Frank Toland and Mrs. Doug Walker present along with 16 members and three visitors.

Terry Watson was president, Donna Root, secretary and Linda Howg, treasurer.

Plans were made for the annual family picnic to be held, May 13, below the Travers Dam.

The June achievement program was discussed. A special meeting will be held, May 19 to make the final plans.

Butterfly quilt blocks were given out to be made. The past and present members will each have their name embroidered on a block. The quilt is to be raffled at a later date.

The meeting concluded with an enjoyable lunch being served by Jackie and Mary Elliot.

C.W.L. MEETING

St. Anne's C.W.L. held their regular meeting at the home of Mrs. Hector Cyr, Enchant. In the absence of the president, Mrs. W. A. Watson presided. Mrs. George Sanders was secretary-treasurer.

Father Andrews and eight members were present. The reciting of the rosary opened the meeting.

Miss Anne Hemple was elected delegate to the convention to be held in Banff in June. Alternate delegate is Mrs. Frank Sander.

The secretary reported all forms had been mailed as requested.

Father Andrews gave an enlightening talk on the Pilgrim Statue to be in the parish soon. Since the only time available was from 6:00 to 7:00 p.m., it was decided to serve lunch following the Holy Hour. Some of the members turned in good reading material to be sent to the foreign missions. Used stamps are also being collected.

The meeting concluded with the prayer to Our Lady of Good Counsel. The hostess served lunch which brought the evening activities to a close. The next meeting will be held at the home of Mrs. J. Haller, Enchant.

HERRONTON FARROW

Seeding in this area is starting slowly as many are waiting for the wild oats to grow. Moisture conditions are fair now following about one half inch of rain on the weekend.

Herronton and Farrow districts were well represented at the Lyle Nash—Janette Leslie wedding dance in Mossleigh on Saturday night.

Mr. and Mrs. Stu Beagle spent a couple of days last week golfing at the Banff Springs Golf Club. Miss Shirley Beagle stayed with her grandparents in High River during her parents' absence.

Little Kathy Laycraft has been confined to the High River hospital for several days receiving treatment for a dog bite which occurred in Blackie.

Little Eugene Tarasoff is presently a patient in the Red Cross Crippled Children's Hospital in Calgary, receiving medical attention for an old knee injury.

Mr. and Mrs. Alvin McWilliam are receiving congratulations on the birth of a son.

On Mother's Day at the Farrow United Church special music in the form of choruses were presented by the preschool, intermediate and junior classes. The Sunday School classes presented all the mothers present with corsages.

To provide emergency assistance in a hurry, the Canadian Red Cross warehouses relief supplies in France, Turkey, Switzerland and Morocco.

90% of all oil company product research in Canada
is done by Imperial

The fuels your car will use in the future are being designed today. In Imperial's ultra-modern research laboratories at Sarnia, scientists and technicians are working to ensure that gasolines for today's cars—and tomorrow's—are tailored for top performance. In the last ten years alone, Imperial has spent more than \$60 million to build the equipment needed to bring you top gasoline quality.

At Imperial Oil's laboratories at Sarnia, Ontario, more than 200 scientists and technicians are working to improve present petroleum products—and to develop new ones. Their research covers many fields, from gasolines to household detergents. Another 130

scientists and technicians are working at Imperial's Calgary laboratories on ways to find and produce more Canadian crude oil and natural gas. Imperial does more research than all other oil companies in Canada combined.

PFRA DIRECTOR RETIRES —TAKES NEW POST

Retirement of Gordon L. MacKenzie as director of Prairie Farm Rehabilitation Administration and his appointment as special assistant to Agriculture Minister Alvin Hamilton.

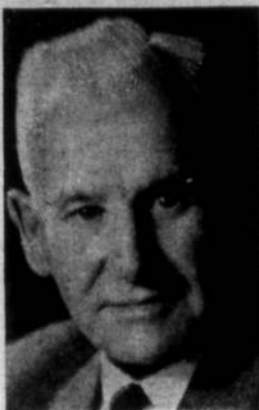

Mr. MacKenzie will be acting director until his successor is named. He will then become special assistant on PFRA and related projects, continuing his close association with the South Saskatchewan River Dam construction.

Mr. Hamilton said he greatly appreciated the important role Mr. MacKenzie has played both as chief engineer and as director of PFRA for many years, and was glad that his knowledge of water development and conservation would still be available to government.

Mr. MacKenzie retains his chairmanship of the South Saskatchewan River Development Board and of the Federal-Provincial Prairie Provinces Water Board. He is also representative for Canada on several international engineering boards on western water references under the International Joint Commission.

As a PFRA engineer he was associated with planning of the South Saskatchewan River Dam for some years before the decision to build was taken in 1958. The dam was begun when Mr. MacKenzie was director and it is the largest of its kind in Canada.

Mr. MacKenzie was a consulting engineer in Saskatoon before he joined the federal service in 1934. His connection with PFRA began two years later and Regina became his headquarters. He became chief engineer in 1946 and director in 1957. A Dominion and Saskatchewan land surveyor, Mr. MacKenzie is also a member of the Engineering Institute of Canada and a registered professional engineer for Saskatchewan province. He was born in Guelph and raised in Ottawa where his father was a civil servant in the Department of Indian Affairs. Mr. MacKenzie graduated from Queen's University in 1919 with honors in civil engineering.

Champion

The CGIT girls, their leader, Mrs. M. Severtson and Mrs. M. Arnold held a travelling supper two weeks ago. This took place at their regular meeting. The supper started with juice at Mrs. Martin Matlock's, soup at Mrs. Ken Blorham's, main course at Mrs. T. Halm's, and here they also held their mission study before going on to Mrs. Rocher's for dessert.

The Girl Guides and Brownies of Champion entertained over 50 mothers, grandmothers and friends at their Mother's Day Tea on Wednesday evening. The Brownies provided entertainment for the evening, while their Big Sisters, the Guides showed their ability in serving lunch and cleaning up. On behalf of all the guests, Mrs. Peterson thanked the Guides, Brownies and Guides for the lovely evening.

Maureen Close was enrolled into Brownies on May 2.

Guide Captain Betty Matlock and Patrol leaders, Linda Cummins, Kathy Matlock, Marie Coldwell and Laurie Cummins recently attended the Patrol Leaders Training Course held in High River.

The recent Girl Guide Cookie Day was a great success. The Brownies and Guides of Champion sold over 45 cases of cookies in the town and district.

Mrs. Libby Latiff has returned home after spending three weeks in Carmangay hospital.

Mr. and Mrs. J. McNarland of Brooks were visitors last week at the home of Mr. and Mrs. Mervyn Smith.

Maureen Smith, small daughter of Mr. and Mrs. Mervyn Smith has returned home after having undergone eye surgery in St. Michael's hospital in Lethbridge.

Margaret Black is confined to her home after dental surgery in Calgary last week.

Friends will be sorry to hear of the death in Calgary last week of John (Jack) Sherman Collins, age 39, son of John Collins of Fort McLeod, and the late Mrs. Collins. Jack was reared and received his education in Champion where his father was CPR agent for many years.

Mr. and Mrs. E. Latus of Sylvan Lake, (nee Betty Jones) are being congratulated on the birth of a son, David Kerry.

Harry E. Smith has returned home after having been confined to Carmangay hospital for a week.

Chas. Wiles is a patient in the Vulcan hospital.

Cliff Miller has returned home after spending several weeks in the Municipal Hospital in Lethbridge where he underwent surgery.

Gerry Blackfoot has returned home from a pleasant holiday trip to the World's Fair, which she attended with a group of other University students. Gerry is now practicing teaching in the Champion school for four weeks.

Colleen Jones is a patient in the Carmangay hospital.

Mrs. Ollie Howerton was taken suddenly ill on Monday evening of last week and rushed to Carmangay hospital.

Sharon Davey, daughter of Mr. and Mrs. G. Davey has been confined to the General hospital in Calgary for the past two weeks.

GRANDMOTHERS' TEA

Approximately 50 Grandmothers of the district were entertained by the UCW Wednesday afternoon, May 9, in the United Church basement. Mrs. Jean Jordan, mistress of ceremonies for the afternoon welcomed everyone present.

A flower making contest revealed many talents, the finished bouquets being sent to several Grandmothers who, because of illness were unable to attend.

A very interesting program followed featuring: Donna and Gail Siler; Ruth, Grace, Joan and Bernice Hummel; Michael McGrail and Diane Lundberg.

A tasty lunch was served by the hostesses and prizes were presented to the following honored guests: Mrs. (Grandma) Ruggles, Mrs. Guy Voisey, Mrs. C. Jones, Mrs. Jim Jordan, Mrs. E. Stewart, Mrs. Raskins and Mrs. Holm. Two Grandpas present also received "special" prizes.

Mrs. V. Vaughn thanked the UCW on behalf of the Grandmothers for the enjoyable afternoon.

HOME & SCHOOL ASSOCIATION

The executive of the home &

school held their regular meeting. After the approval of the minutes, the first item of business was the delegates to attend the Alberta Federation of Home & School Association held in Calgary. As Tom Knight is unable to attend Mrs. Barbara McClean and Mrs. Hilda Munton were nominated.

Nominations for the offices for the coming year were drawn up, as elections will be held at the next meeting, which will be Monday, May 21. Come out and support your Home & School.

MAJORVILLE

The May meeting of the ALCW was held Wednesday at the home of Mrs. Lewis Greaves with 11 members and one visitor in attendance. Pastor Granberg conducted the devotional and installed the new officers. Appreciation was expressed for the bazaar articles donated by Mrs. B. Larson and Mrs. Myrtle Munroe. A donation was sent to CKXL "Morning Devotions". The June meeting will be held at the home of Mrs. Bruce Henry.

Our best wishes for a speedy recovery go out to Mrs. Laura Sutherland who is a patient in the Vulcan hospital.

Diane Monner, having completed her third year at the University, spent a week visiting her parents, Mr. and Mrs. Lawrence Monner before returning to work in Edmonton for the summer.

Jack Shields returned Tuesday from a holiday in Jamaica.

Mrs. Mary Hoerle of Calgary is visiting relatives in the district.

Seeding became general in the district this week. Close to an inch of very welcome rain was recorded in most parts of this district.

Mr. and Mrs. Aubrey Gore and family and Mrs. Mabel Dietz of Calgary motored to Swallow on Sunday to attend a reunion of the Gore family.

The Monner families gathered at the home of their mother, Mrs. Myrtle Monner for a visit on Mother's Day.

Mrs. Irvine Sukut motored to Calgary with Mr. and Mrs. S. Fluter on Saturday to select and purchase more books for the Milo school library.

Mrs. G. Heather, Mrs. H. Winch, Mrs. Nels Nelson, Mrs. A. Palmer and Mrs. J. Bartsch attended the Southern Alberta Lutheran Convention in Medicine Hat on Wednesday.

Mr. and Mrs. Jim Umscheid are receiving congratulations on the birth of a daughter, May 11, in the Bassano hospital.

A number of birthday parties were held in the district this week. Brenda Heather celebrated Sunday with Greg, Keith and Wendy Dietz, Patsy and Allan Bartsch, Kathy Culp and Shelly Gore as guests at her party.

Larry and Ronnie Dietz both had birthday parties this week. Mrs. Larry Umscheid held a birthday dinner Thursday evening for Miss Pat Ndgent.

Friends and relatives called on Granny Burk, May 13, to wish her many happy returns of the day as she celebrated her 85th birthday. Mr. and Mrs. David Dietz and

family spent Mother's Day at Coaldale with Mrs. Dietz parents. Mrs. Bill Dietz has had her mother, Mrs. Kennedy with her for a few days. Mr. and Mrs. Jim Dew were dinner guests at the Bill Beckner home on Sunday.

The annual meeting of the Milo Home & School will be held, May 24, instead of May 10 as previously planned so that a report of the convention may be given by Lawrence Smith, Regional Director. A lynx was sighted this week at the Hap Heather farm.

Mr. and Mrs. Tom Williams returned to their home in Oregon, after visiting friends and relatives here for the past two weeks. Mrs. Oral Williams returned with them, and will visit with her sons, Jack and Dale.

The Guide and Brownie Mother's Day Tea was held in the club room on Saturday, and proved quite successful. A Home Bake Table was also featured, and the Guides and Brownies in uniform were on hand to wait on tables and helped make the tea a success. They would like to thank all who donated and helped in any way.

The 4-H Beef Club held their regular meeting in the hall on Monday night. Slides were shown on the Idaho Feed Lot Tour. Lunch followed the meeting.

A number of people attended the 4-H Speaking Competitions, held in Vulcan on Friday night at the 4-H Rally. Those taking part in it from this club were Nadine Arney, Carol King, Donna Williams and Susan Hayes. Nadine placed third, and will attend more speaking competitions in Lethbridge during the week.

Mrs. George Richies has returned home from the Vulcan hospital, after having had the misfortune of falling and hurting her hip. She

is able to be up and around by wheel chair at present, and we send her best wishes for a speedy recovery.

Pam Williams and Sharon Arnold are both patients in Vulcan hospital.

Mr. and Mrs. Jeremy Weeks of Calgary were weekend visitors with Joan's parents, Mr. and Mrs. Milt Ward.

A number of people attended the Gymkhana held at Lake Mc-

Gregor on Sunday.

The Boys Club and their leaders, Howard Schmidt and Irwin Krouse, motored to Drumheller where they camped over the weekend. A good time was reported by all.

Seeding is under way in the district, but has been held up for the last day or so due to rain showers, which were all welcome anyway.

To the Parents of Student Drivers at the Vulcan High School

We are concerned about the many students who drive their cars down town during the noon hour. We feel that in the interest of safety and safe driving codes that this should be curtailed. We also feel that students who drive their cars to school are not concentrating upon their studies. This fact has been verified by many surveys and reports made that the student who has a car has a lower average in his subjects than when he didn't have a car.

With this in mind, we ask that the parents and students involved please keep the following rules in mind:

1. That all cars driven to school, be left on the parking lot until they are ready to be driven home.
2. Those students who live in town are asked to leave their vehicles at home or at the school. It would be appreciated if they would refrain from driving around the streets while the out-of-town students have to leave their cars on the school grounds.

In the interest of better education and safety, we respectfully request the co-operation of all concerned.

"IT'S A BEAUTY!"

"On my postal walk, I see every kind of home. For my money, Brick beats them all."

Yes, Brick really is beautiful. Have you seen what it can add to the appearance of a home — when used in full or partial exteriors, interior walls, planter, fireplace, patio, barbecue, walks and garage?

Any proud brick home owner will tell you there's nothing to match the beauty, durability, convenience and low up-keep of Brick. If you're planning to build a home to last a lifetime — a home that keeps its "just new" look year after year — see your local I·XL Brick dealer. His display will show you, I·XL Brick is available in a hundred varieties of beautiful colors, textures and designs.

Insist on Brick! Specify I·XL Homes of Character are built with Brick.

Brief Items of Local Interest

Mr. and Mrs. Charles Budd and children of Brooks spent Sunday visiting relatives in Vulcan and district.

A sonic boom, the thunder-like sound of a jet plane going through the sound barrier, was heard at the Bob Irwin farm west of Vulcan Monday morning and apparently was caused by a high-flying military jet.

Two new telephone operators, Beverly Brown of Vulcan and Doreen Zahnd of Greenwood, B.C., are now being trained at the AGT office here under the guidance of Chief Operator Jerry Ostergaard.

Mrs. Dave Schierman attended graduation exercises at the Bow Island High School Thursday evening, when Dick Sytsma, formerly of Vulcan was among those graduating. Mrs. Schierman had been Dick's first teacher and he extended to her a special invitation to be present when he received his diploma.

A miscellaneous bridal shower will be held Friday evening, to honor Grace Johnson, a former Vulcan girl. All friends are invited to attend this shower which will be held in the United church basement.

Mr. and Mrs. Dwight Ellis of Calgary visited at the J. C. MacMillan home at the weekend.

On Friday evening, Mr. and Mrs. Dave Schierman accompanied by Mrs. Fred Schneider motored to Edmonton where they attended the wedding of a relative. Enroute home on Sunday they stopped at the Bob Parker home at Red Deer to pick up their daughter, Eunice, who had spent the weekend as the guest of Jo Anne Parker.

Mr. and Mrs. George Fulton and daughter, Lynell spent Mother's Day in Calgary at the home of Mrs. Fulton's parents, Mr. and Mrs. M. S. Hanson.

Next Monday, May 21 will be observed as a public holiday.

Mr. and Mrs. Walter Staples entertained at dinner Sunday when guests were Mr. and Mrs. Greg Fath and Mr. and Mrs. Gordon and family of Calgary.

Miss Violet Hiltz of Calgary spent the weekend with friends in Vulcan and district. While here she conducted services at the EUB churches.

Mrs. W. Wiley, Jr. spent last week in Lethbridge visiting with her brother-in-law and sister, Mr. and Mrs. Bob Dann.

Mr. and Mrs. Elmer Lebsack were Sunday visitors to Beiseker. W. A. Shields left Wednesday on a 10-day business trip to Toronto and Windsor, and will stop off in Winnipeg to attend the annual meeting of the Canadian Federation of Implement Dealers.

Lyle McNaughton of Edmonton visited briefly with her grandparents, Mr. and Mrs. C. R. Robson, on Saturday.

Mr. and Mrs. Warren Banks of Calgary are spending several days at the Bev Banks home.

Mr. and Mrs. Howard Spaeth motored to Calgary on Sunday where they visited with Mr. and Mrs. A. G. Spaeth. They were accompanied to Brant by Mrs. A. Cotton who spent the day with her daughter, Mrs. George Stott.

Mrs. Harry Lebsack, Mrs. Dave Schierman and Michael, Mrs. M. E. Kozial and Helen accompanied by Violet Hiltz motored to Lethbridge on Monday.

Third Time Around The World, Pilgrim Statue at Travers Mission

The Pilgrim Statue, an image of the Blessed Virgin Mary as she appeared to three children at Fatima, Portugal in 1917 is touring the Calgary Diocese in honor of the diocese's Jubilee year.

For 14 years this statue has been on a "pilgrimage of peace," carried by land, sea and air as a visual reminder of the message of Mary—"To pray the rosary and to do penance for the conversion of Russia." Father Patrick Moore, S.F.M., has accompanied the 49-inch statue on all its travels. This is the third time around the world. It has been to tiny islands dotted throughout the world as well as North to Alaska. Over 300,000 miles have been covered since May, 1948. On March 31, 1958, Pope Pius XII blessed a new crown for the Pilgrim Virgin and personally crowned the statue. It has been borne down the streets of many of the world's capitals and has been viewed by thousands where-ever it goes.

A motorcade of cars met the statue en route from Vauxhall. It was carried on top of a car driven by Father Moore, and equipped with loud speakers. The rosary was recited by the motorcade en route to the Travers Church. Here a capacity crowd heard Father Moore speak on his crusade of prayer. All present received special blessings. Father D. Andrews offered Mass. Following the beautiful ceremony the parish ladies served lunch to everyone in the WI club house.

The crusade of Our Lady's Image will continue and people will beg God's blessings and protection, through the intercession of the Blessed Virgin Mary, upon all peoples, their homes and families. Every part of the world will be reached as long as travel remains possible, as a warning against the Godlessness of Communism.

Non-Catholics as well as Catholics are welcome to attend any of the services. Watch for the dates at the other Catholic Churches in the county.

Keystone Class

The May meeting of the Keystone Class was held at the home of Mrs. Pearl Hornberger with 17 members and three visitors present. Meeting opened by singing, "There Shall Be Showers of Blessing," following which Miss Janet Ware, president, led in prayer. Roll call was answered by a verse on Mothers.

It was decided that the offering be kept on hand until the next meeting when a donation will be given toward mission work in India. Considerable correspondence was read, and an inspiring devotional on Mothers of Old and New Testament times, was brought by Mrs. Hazel Smith.

The June meeting will be held at the home of Mrs. Althea Cotton. A delicious lunch was served by the hostess, assisted by Mrs. Cotton, Mrs. Girkness and granddaughter Debbie Boutland.

Thomas A. Edison was dismissed from a job as a young man for sleeping while on duty.

Will Observe 50th Anniversary United Church

The regular meeting, May 9, of the UCU was opened with a worship service and prayer. Mrs. N. Bucholtz arranged a program to give a clean understanding of what is required of the members, both at home and in the community. The topic: "Are we giving and receiving the greatest possible spiritual inspiration in our women's organization."

As the 50th anniversary of the Vulcan United Church is to be celebrated June 17, by a special service and program, there are many plans to be carried out to make it a success.

It was decided to purchase a baptismal font for the church as a memorial and also give a gift of money, other than the allocation, to support a Korean orphan for this anniversary year. The first quarter of the allocation has gone forward and a good response turned in for other purposes.

Mrs. R. Deal will replace Mrs. Sharpe as president at this time. A hearty vote of thanks was given Mrs. Sharpe for the splendid leadership she gave in organizing the UCU.

The next meeting will take place in September. The executive will take care of any business in the meantime.

C.W.L. Names Committee Heads

The May meeting of St. Andrew's C.W.L. Council was held in the Parish Hall with newly elected president, Mrs. Alice Scales, presiding. Director Reverend Father Marien led the League prayers.

Mrs. Scales, prior to the meeting had presented each lady with a carnation in honor of Mother's Day. A letter was received from Diocesan President, Mrs. Neidzwicki giving details of the annual convention and urging those who were able to do so, to attend.

Volunteers for the following duties for the coming year are: Mrs. Les Shaw, Spiritual; Mrs. Louis Shaw, Membership; Mrs. Mel Jordan, Apostolic; Mrs. Nan Burchak, Social; Mrs. Clarence Roth, Press; Mrs. Angelo Murphy, Educational.

The council will be hostess for the coming Deanery meeting on May 17 at 12:45 p.m. Conveners are: Mrs. Nan Burchak, Mrs. Louis Shaw, Mrs. Lena Wisener, Mrs. Rose Douville.

Mrs. Ann Ray, who will be leaving the parish, was presented with a statue of St. Christopher by Mrs. Scales, on behalf of the council. The members joined in an amusing contest with Rev. Father Marien, Mrs. Nan Burchak and Mrs. Ann Roe winning the prizes.

Mrs. E. Earl and Mrs. B. Brown were acting hostesses.

Candlelight Circle

The May meeting of the Candlelight Circle met at the home of Margaret Davis, with 15 members present. Roll call was answered with each member telling something about a Bible mother, including a verse concerning same. Joyce Pelham brought an interesting devotional on Family Life. This month's missionary money to be sent to Frank Temple in India.

Nelsie Robertson and Lillie Schmidt assisted by the hostess served a lovely lunch.
